As part of our continued efforts to provide H1N1 vaccine to school-age children and staff, USD 231 has scheduled a **final** H1N1 clinic date, primarily to provide “booster” vaccinations for children ages 6 months through 9 years who live in the USD 231 attendance area. However, these clinics will also be open to all previously eligible school groups as well:

Those eligible to receive the H1N1 vaccination or a “booster” dose at these clinics include:

1. All children ages 6 months through 12<sup>th</sup> grade **who reside in the USD 231 attendance area.**
2. USD 231 employees and their immediate family members

USD 231 will offer free and voluntary vaccinations for eligible persons (above) on the following date at the following locations **while supplies last.**
