Activity Picture Information:

Photographic Enterprises is contracted to take Activity Pictures at Gardner-Edgerton HS, Wheatridge Middle School, and Pioneer Ridge Middle School. On picture day no money is required and everyone will have their individual picture taken and along with the group pictures, will be posted on PEC's web site for you to order approximately 3 - 5 business days after your picture date. Ordering will require access to a computer either at home, a friend's house, public library or at school. Ordering can be done by accessing their web site www.pec-sports.com and clicking on "View and order your pictures". You will then click on "KS" then your city and school and eventually be prompted for the password. A link to this site is also available on the schools website.

- The advantages to you are: proofing the pictures before you order, order exactly what you want and the pictures will be delivered to your home 2 to 3 days after the order is placed when paying with a credit or debit card. You can also pay with a money order, a slightly longer delivery time, or by check which will take two weeks after we receive the check.
- The pictures will be posted without names on this website for approximately 30 days. If you would like to have the picture removed from its posting after your purchase you may do so by contacting Photographic Enterprises at 1-800-798-8020. The team picture will remain posted for the full time to allow access to all families needing to order.
- If you have any questions or problems with the ordering process, please contact by e-mail: pics@pec-sports.com or phone (1-800-798-8020).
- It is a priority of USD231 to provide the above information to make you aware that your child's picture is available to view on a public website. We have taken the steps to protect the viewing of these pictures with a password and Photographic Enterprises has removed the right click copying option and has covered each proof with a watermark.
